

Is Tourist Revenue Worth Maintenance Costs?

The desirability of the summer tourist came under fire at the Works Committee meeting Tuesday night when Aldermen William Offer and Max Zack differed sharply in their opinions.

Ald. Offer claimed that every resident reading north of Columbia Avenue was glad to see the tourist leave the city, whereas Ald. Zack asserted that every cent the tourist leaves behind is a help not only to business men but to the city as a whole.

Discussion arose from a query from Alderman Lillian Browne as to what steps were being taken to ensure that the city benefit from the throngs of habitual beach-goers that the city must send out workmen to clean up after in addition to operating comfort stations and maintaining roads and facilities for their convenience.

Mrs. Browne pointed out that the majority of them bring their own lunch and spend very little in the city.

Mrs. Browne stated that she had heard small groups discussing this matter here and there and they were coming to the conclusion that the voices of the businessmen opposing parking meters were being listened to too much. Mrs. Browne felt that parking meters would ensure the city of some remuneration from the holiday makers.

Alderman Zack stated that he was in favor of parking meters.

Alderman Browne pointed out that the city gains nothing from the tourists, and the merchants who do gain financially, pay the city just the stipulated license fees.

Zack pointed out, "If the merchants are prospering then they are more able to pay their taxes. If there are no tourists then there is less money spent within the city."

Alderman Alex Mitchell felt that the maintenance required more than outweighed the slight increase in revenue taken from the tourists.

"We don't have to money making facilities to take care of the tourists," Mitchell stated.

Upkeep of rest rooms, keep-

ing the front street clean, improving our parking facilities, are all necessary to handle these people and yet we have no revenue from them. The few dollars they do spend at local shops presents a very small return to the City Council as a whole to provide these facilities for them.

We must come up with some method of getting revenue from them Mitchell pointed out. Meters in the area in which they park, was one suggestion Mitchell had to offer.

If the Council could get any reading on the worth of parking meters I would approve it, Mitchell stated.

Power Off Today In Hilltop Area

Power will be interrupted in White Rock on Thursday, June 26, from approximately 1 p.m. to 5 p.m., or such longer time as required for linemen to make distributions changes.

Affected will be North Bluff Road from Johnston Road to 157 Street, "G" Street and "F" Street from North Bluff Road to Russell Ave., Best Road and Clow Road from North Bluff Road to McBeth Road, also 156A Street and 157 Street for a short distance North and South of North Bluff Road.

Shops Bylaw to Get Final Reading Tonight

The Shops Regulation Bylaw will be submitted to Council tonight, at a special meeting for final reading and adoption.

The bylaw stipulates that all shops (except barber shops) shall be closed for the serving of customers - on Tuesday, Wednesday, Thursday and Saturday, not later than six o'clock in the afternoon.

On Monday, they may remain open, not later than 12 o'clock noon, except during the months of July and August when they shall be closed not later than six o'clock in the afternoon, and shall remain closed thereafter for the remainder of each such day.

All shops in the City (except barber shops) may remain open for the serving of customers not later than nine o'clock in the afternoon any or all of the seven business days immediately preceding Christmas Day or on the day immediately preceding every other day referred to in Section 886 of the "Municipal Act".

Hawkers and peddlars shall not hawk, peddle, or sell any goods,

chattels, or merchandise within the City during the time that shops within the City are closed pursuant to the Municipal Act or this Bylaw.

Barber shops shall be closed for the serving of customers on Tuesday, Wednesday, Thursday, Friday and Saturday, not later than six o'clock in the afternoon; and shall remain closed thereafter for the remainder of each such day. They shall remain closed on Monday, throughout the whole of each such day, except when such Monday shall occur either within the seven days immediately preceding Christmas Day, or during any week when two or more of the public holidays.

GAS STATIONS

All automobile service stations and automobile garages shall close and remain closed for the serving of customers not later than seven o'clock in the afternoon during the months of October to April inclusive and not later than nine o'clock in the afternoon during the months of May to September inclusive.

Operators of automobile service stations wishing to remain open on statutory holidays later than the closing hours specified in the bylaw shall on application to the City Council be granted a permit exempting them from the provisions of the Act.

Beach Fires Cause Severe Burns

White Rock doctors are appealing through City Council to all beach goers to be sure they have completely deadened their beach fires before leaving the beach area.

Repeated cases of children suffering severe burns due to stepping on hot cinders on the beach has brought repeated telephone calls from the doctors to city officials asking the public's co-operation in putting an end to such suffering.

Mayor William Hodgson asks all picnickers to take double precautions along this line. He reported that one youngster's foot is so severely burned his foot is not be able to walk on it again this summer.

Council feels the Civil Defence unit can be used to warn picnickers of the danger of burning embers.

Superfluity Shop Closed July 1

The superfluity shop will be closed on July 1 and open all day Thursday and Saturday, July 3 and 5.

Stores to Enjoy July 1 Holiday

Majority of White Rock businesses will close July 1 in order to allow management and staff to enjoy the Dominion Day holiday.

Lumber yards in the city will be closed Monday and Tuesday, but grocery stores will remain open on Monday, their regular closing day.

Clothing store operators are suiting themselves whether they open on Monday but the bakery will be open June 30.

White Rock Sun office will be open Monday but will close on Tuesday, July 1. Next week's publication will go into the mail on Thursday night, instead of Wednesday, and subscribers will not receive their paper until Friday morning.

Papers should be in the stores by Thursday afternoon, however, and paper carriers will probably be on the street at about the same time.

Victoria Parking Hazard Scored

Traffic hazard caused by parking on both sides of Victoria Avenue was scored by Alderman Jessie Lee at Committee meeting Tuesday night.

She pointed out that cars have to actually weave their way in and out of traffic along the route because there is only room for one way travel due to the excessive parking on either side of the street.

Howard, Works Superintendent, pointed out that many residents along the route own garage but never use them, allowing their cars to be parked on the road indefinitely.

Alderman Alex Mitchell pointed out that the bylaw states that cars cannot be parked on pavement. He suggested putting in a culvert on the north side of the street would alleviate the problem to some extent.

Mr. Howse stated he knew of four garages at the corner of C Street and Victoria which are seldom used, due to owners parking along the route.

Alderman Lillian Browne moved that a committee be formed to investigate the hazard and report back to Council.

Trailers parked in various city locations also came to the fore in the discussion of the traffic committee. Members pointed out it was illegal to park a trailer anywhere in the city and if one should be parked in a resident's own back yard, he still couldn't live in it. Parked trailers, not on trailer lots, will be investigated.

Mrs. H. Beasley

Resigns from Scouts

Mrs. Harry Beasley, hard-working president of the L.A. 1st White Rock Scouts and Cubs, resigned at the annual meeting held June 16.

Mrs. J. Miles, North Bluff Road was named president; Mrs. R. J. A. Hogg, treasurer and Mrs. Bill Thorpe, secretary.

A vote of thanks was tendered Mrs. Beasley for her fine leadership.

A home cooking sale has been slated for June 27.

Army and Navy Club Plans Centennial Membership Dance

White Rock Branch No. 46 of the Army, Navy and Air Force Veterans Club will hold a special Centennial membership night on Monday, June 30 at the Club.

Purpose of this night is to increase the Club's membership during the Centennial year and acquaint prospective members with the efforts of the Branch in regard to community activities. Special guests will include

DONNA ISHERWOOD

IRENE MARSHALL

Latest entries into the Miss White Rock Contest are Irene Marshall, who is being sponsored by Rosemount Florist and Donna Isherwood, whose sponsor is the White Rock Sun. This makes a total of 10 contestants in this year's contest.

Miss White Rock Committee meets this week to discuss further details of the program for the contest which will be held

on July 18 in conjunction with the Sea Festival.

Chairman Ian Donald and committee members Mrs. Ross Prior, Mrs. Howard Kennett, Mrs. Stan Evans, Mrs. Stan Hoefle and Howard Kennett along with the assistance of Mrs. Fred Phillips and Mrs. Ed. Woode are working towards making this the biggest contest ever.

Stapleton, Mervyn Off To BEG with UBC Crew

White Rock will be represented when Canada takes its place with the Commonwealth's top athletes at the British Empire Games at Cardiff, Wales, next month.

Lawrence (Bud) Stapleton, son of Mr. and Mrs. Walter Stapleton of North Bluff Road, will travel to the BEG as a member of British Columbia's famed rowing crew.

Bud, a second year student in engineering at UBC, graduated from Semiahmoo High School in 1955. He was an all-round athlete while attending school here, but turned his athletic ability to rowing during the past year.

This is Bud's first year with the superb University crew who won two medals at the 1956 Olympic Games and captured the eighth in four Saturday in the BEG trials at Port Dalhousie, Ontario.

Both crews were chosen to represent Canada at the Games following their tremendous performance Saturday.

Players Club Special Meeting

White Rock Players Club will hold a special meeting in the Little Theatre on Friday, June 27 at 8:30 p.m. to welcome all new members and anyone interested in joining the group.

Young people are particularly invited to attend this meeting.

"The Remarkable Mr. Penny-packer," which the Players plan to produce in August, has several roles for teenagers and casting will take place next week.

The Club will welcome new members interested in any aspect of theatre work.

Bud, who excelled in track and field while attending Semiahmoo, set a new Canadian midget discus record in the summer of 1955.

Also of special local interest is Glen Mervyn, a member of Saturday's victorious UBC eight, who will participate in the Games next month.

Glen is the nephew of Mr. and Mrs. G. T. McKay of Crescent Beach. His home town is Kelowna and he is a second year oarsman with the UBC squad.

Mervyn, and Tommy Blin of Deroche, are the only two members of the eight who did not participate in the 1956 Olympics.

School Teacher, RCMP Officer to Wed Aug. 22

The marriage plans of Miss Doreen Helen Joyce Campbell, 1359 G Street, to RCMP Constable Ronald Edward Fairhurst, son of Mr. and Mrs. Robert Fairhurst, of Redcliff, Alberta, have been announced this week.

The wedding will take place on August 22 in the White Rock United Church.

Miss Campbell, a teacher at the White Rock Elementary School has chosen her sister, Alice, and fellow teacher, Miss Louise Sachs, to serve as bridesmaids.

Constable Fairhurst has been with the local detachment of the RCMP for over three years.

Teachers, Board Reach 1959 Wage Agreement

White Rock and Surrey Teachers Association and the Board of School District No. 36 reached an agreement on 1959 salaries Wednesday morning.

Here is the scale agreed upon: E. C. - \$2800 to \$3400 in five years; E. B. - \$3200 to \$5000 in 10 years; E. A. - \$3500 to \$5400 in 10 years; S. C. - \$3800 to \$6000 in 12 years; P. C. - new category \$3900 to \$6100 in 11 years; S. B. - \$4200 to \$6700 in 12 years; S. A. - \$4500 to \$7250 in 12 years.

C. D. Christian, secretary-treasurer for District 36, reports that this is not an actual salaries agreement as different clauses, such as principals' salaries, must be dealt with in September.

Sea Festival Leaflet Drop

Exciting feature of this year's Sea Festival activities will be the leaflet drop by local merchant Bernie Erickson from his plane on Tuesday, July 1.

Some 5000 leaflets will flutter to the ground and all White Rock kids are urged to gather up as many as they can and fill the coupon in.

Prizes galore are being offered to the lucky ones whose coupons are drawn at Memorial Park on the last day of the Sea Festival, Saturday, July 19 at 2:30 p.m.

Approval of this "leaflet scramble" has been given by city council.

Don't forget the district school poster contest and doll-making contest being sponsored by the Sea Festival Society. Cash prizes are offered to children in both contests, so don't miss out on this chance to make up to \$10 by drawing a poster or making some type of doll.

Senior Citizens Picnic July 29

Senior Citizens Branch No. 3 will hold their picnic on July 29 and not June 29 as reported in the Sun last week.

BARBARA SMALL

Recipient of the \$200 Surrey Teachers Association scholarship of Mr. and Mrs. T. E. Small of Blackburn Crescent. Presentation was made by Mr. A. Mansfield of the Semiahmoo High School teaching staff at recent graduation exercises. Barbara, who had straight "A's" during her last year in high school, was highly commended by principal M. B. Sanford for her outstanding academic achievements while attending Semiahmoo. She has also won top honors in her class in previous years. Barbara's brother, Eric was president at Semiahmoo in 1956-57.

Crescent Beach

A wedding of interest to many in Crescent took place in Queen's Avenue United Church in New Westminster, when Joan Alice Wickes exchanged vows with Mr. John B. Shand, of New Westminster. Joan is the daughter of Mr. and Mrs. J. Wickes, who lived in Crescent, first right on the water front, then on Sunnyside Road. The reception was held in Dreamland ballroom. The bride was charming in a gown of Venetian lace over white taffeta. Miss Lyn Wade and Miss Maryann McGregor served the guests.

Mr. Green, who recently retired as Postmaster of Ocean Park, has been in White Rock hospital for the good of his health, and has returned home.

As Crescent Beach commuters are still having considerable trouble getting onto the highway at McDougall Road, the Crescent Beach Property Owners' Association requested that their chairman of the Police Committee interview the RCMP, with regard to installing a policeman at traffic peaks. He was informed that a man would be made available.

Miss Elizabeth Stoneberg held a miscellaneous shower at the home of her aunt on E. 22nd, for Miss Joan Wickes, who was married a few days later. Invited were Mrs. O. Murphy, Mrs. Ellen McBride and Sharon, Mrs. R. McGregor and Maryann, and Mrs. E. E. Wade and Miss Lyn Wade.

Delta Municipality has agreed to continue the garbage incinerator service to White Rock for another year.

Wallace to Open Bear Creek Fieldhouse, Track

L. J. Wallace, chairman of the B.C. Centennial Committee, will officially open the Surrey Centennial Fieldhouse and Track on Sunday, July 6 at 2:00 p.m.

This is one of two permanent Centennial projects undertaken by the Surrey Committee and is located at Bear Creek Park.

Other dignitaries present at the opening will be Reeve R. M. Nesbitt of Surrey, Councillor W. H. Johnson (chairman of the Surrey Centennial Committee), Rev. R. M. Warne, Mr. J. T. Brown, (a former reeve of Surrey and who dedicated the park

when it was first opened) and an official of Lickley Construction Co. Ltd., contractors for the Fieldhouse.

Members of the Surrey Band will provide band music at a concert, and free balloons will be given to the children.

An invitation is extended to the public to bring picnic lunches and to enjoy the expanded facilities now available.

Surprise Shower
For Evelyn Nyen

June bride-elect Evelyn Nyen was feted at a surprise shower at the home of Mrs. James Westman, G Street, Friday evening, when friends of the Evangelical Free Church presented her with a TV lamp and blanket. Her marriage to Rev. Edward Erickson is to take place Saturday, June 28.

A bride's chair decorated with pink and white streamers graced the living room and a profusion of early summer blossoms graced the living room for the occasion. Mrs. Fred Staples made the presentation. Guests included Mesdames Thomas Bell; A. Frewing; W. Wilson; E. Graham; F. Staples; A. Stewart; H. Martin; H. Douglas; N. Inglis; J. O. Stavnness; R. Stavness; J. Lang; H. Tveetson; J. Goodlet; A. North-east; L. Avery; N. Rogers and J. R. Stewart.

Mrs. Northeast was in charge of arrangements.

Mrs. Carlton Green of Seattle, spent the early part of the week as the guest of her nephew, M. L. Green, Buena Vista Avenue.

Sunnyside PTA
Elects Officers

The meeting before summer recess was held at the Sunnyside School last Wednesday and the main business was the election of officers.

Mrs. Marion Dinsmore heads the group with Ralph Schultz and Mrs. B. Plain first and second vice presidents. Mrs. E. Haskins takes the secretarial work and Mrs. S. Windblad is the treasurer.

The Dental Clinic is in the care of Mrs. E. Lewis while the membership committee is headed by Mrs. E. Ready and Mrs. D. Davidson. Mrs. O. Holmes is handling the publicity and Mrs. Schultz and Mrs. Ahlstrom head the hospitality committee. Mrs. D. Ward has charge of the ways and means committee and the program committee is made up of Mrs. P. Scriven, Mrs. T. Hutson, Mrs. L. Ripper, and Mrs. C. Peterson. Miss J. Appleton's room was the winner of the book award.

Queen of Sea Books
Must be in by June 28

Cecil Berry, chairman of the Queen of the Sea Contest, urges all contestants to have their receipt books turned in to him not later than June 28.

Crowning of the Sea Queen will take place at the gala opening of the season for the White Rock Amateur Swimming Association on the pier, July 1.

The chosen queen will be the aspirant turning in the most donations and memberships to the club.

Square Dance Club
Holds Outdoor Session

Charlie and Stella McGillvary of North Vancouver's Lynn Valley Square dance club were on hand to call a few squares for the first outdoor square dance session of the local "Dip and Dive" Dance Club held Wednesday on the outdoor dance floor of "The Dolphins."

The intermediate group of the Square Dance Club provided the entertainment for the spectators who crowded onto the pier to watch the fun. Bill Brown, proprietor of "The Dolphins" organized the Club which has shown tremendous growth during recent months.

Captain Raymond Young has left again for a northerly mission as captain of a ship heading up the Mackenzie River, 900 miles north of Fort Smith.

COOPER-O'CONNOR WEDDING

The marriage of Elaine O'Connor, daughter of Mr. and Mrs. E. P. O'Connor of Vancouver, and Mr. Melvin L. Cooper, son of Mr. and Mrs. Robert Cooper, 15713 Buena Vista, will take place in the White Rock Holy Trinity Church on Saturday, June 28 at 8 p.m. Rev. E. Pitt Griffiths will officiate. A reception will follow at the home of the groom's parents. The bride-elect has chosen Miss Bobby Tinkler to serve as bridesmaid and the groom-elect has chosen his brother, Larry, to serve as best man.

Mr. and Mrs. Archie McLean of Thrift Avenue have returned home after spending a week's holiday at Birch Bay. The McLeans were guests in the trailer home of Mr. and Mrs. Frank Trent.

Mrs. Partridge from Winnipeg who has been staying with her relatives, Mr. and Mrs. Rice at 882 Parker Street, is leaving for a six months' holiday to the British Isles. The Rices are also leaving White Rock to live in North Vancouver, where they are building a new home on Wellington.

Mr. and Mrs. Donald Shaw have returned from their honeymoon and are now residing at Crescent Beach. Hats for the bridesmaids and some of the guests at the recent Shaw-Eeles wedding were designed by Irmengard's Millinery.

A picnic for all Cornish people will be held in Semiahmoo Park on Sunday, June 29. An attempt will be made to form an Association of former residents of Cornwall.

The Prairie Musical Team from the Prairie Bible Institute, Three Hills, Alberta, will be guests in the White Rock Evangelical Free Church, Pacific and F. Streets, tonight at 7:45 p.m.

Mr. and Mrs. T. E. Jewsbury of Winnipeg, spent the past week at the home of the latter's sister, Mrs. R. E. Thompson.

White Rock Yacht Club held the second barbecue supper and swim party at the L. K. Sully pool on Buena Vista on Saturday, June 21. Some 30 members voted it the most enjoyable get-together since the summer yachting season commenced.

Miss Dorothy Hamilton of Seattle, was the weekend guest of Miss Shirley Peckover, Thrift Road, Miss Peckover will serve as bridesmaid at the former's wedding in Seattle next weekend.

Mrs. John Wiebe of Penticton, the former Dorothy Castells of White Rock, was a guest in White Rock on Sunday.

Mrs. Ted Northeast and daughter Joy of Burnaby, formerly of White Rock, were guests of Mr. and Mrs. Northeast, Sr., over the weekend.

Miss Rachael Steeves returned missionary from Pakistan, now studying at the University of Alberta, Edmonton, was a guest of Mr. and Mrs. B. C. Litz, 2515 King George Highway, over the weekend.

Miss Barbara Bingham, Semiahmoo High graduate, has returned for the summer from her course at the Three Hills Bible Institute, Alberta.

Miss Mary Martin of London, England, will be the guest worker at a psychometry tea sponsored by the B.C. Society for Psychic Study to be held on Friday, June 27, at 15456 Victoria Avenue at 2 p.m.

Mr. and Mrs. M. L. Green, Buena Vista, leave Friday on a three week camping trip to Dawson City where they will

be the guests of Mr. and Mrs. Jack Brenner, parents of their daughter in law. They plan to meet their son Glen, together with his wife and daughter Gwen at Dawson Creek and motor north with them.

A planned trip to White Rock for Mary Lynn and Kathleen Swanson, former White Rock residents, has met with disappointment and a temporary postponement. En route north, they stopped to change trains at San Francisco, only to find that their wallet with train tickets and cash had disappeared, whereupon they put a distress call through to their father in Santa Barbara who instructed

A very successful Strawberry Tea was held at the home of Mrs. C. P. Ortner, Thrift Road, when 60 ladies attended the annual summer event, sponsored by the W. A. of the Church of the Holy Trinity. Servitors were Mrs. Sheila Carmichael, Mrs. Enid Harris and Mrs. Natalie Logan.

Miss Molly Hedley, and Mrs. C. R. Bennetton, members of the Holy Trinity church choir were honored guests at a choir party at the home of Mrs. G. E. Sery, 14722 Russell Road. Miss Hedley is leaving to acquire a teaching position at Princeton and Mrs. Bennetton together with her husband is leaving to make her home in Seattle. Miss Hedley was presented with a travelling clock and Mrs. Bennetton was presented with a vase.

Engen-Brown Engagement

Mr. C. K. Brown of Martin Street, White Rock, wishes to announce the engagement of his daughter, Dorothy May, to Mr. Melvin Engen, son of Mr. and Mrs. A. Engen of Courtenay, B.C. The wedding will take place on July 25.

Shower For June Bride-Elect E. O'Connor

A pink and white decorated umbrella held the many lovely shower gifts presented to June bride-elect Elaine O'Connor at a miscellaneous shower held at the Victoria Avenue home of Mrs. Ian Donald, Friday evening, June 13. Mrs. Marilyn Atkinson was co-hostess.

Pink, white and pale green formed the "showers of happiness" wishes on the lovely shower cake centering the tea table. A corsage of pink rosebuds was presented to the honoree.

Mrs. Dorothy Wilson, sister of the groom-elect, presented the many useful gifts.

Guests included Mesdames Robert Cooper, mother of the groom-elect; G. Eden, Fred Sive, R. Steele, Mable Donald, J. Atkinson and W. J. Atkinson, Miss Sheila Carmichael and Miss Bobby Tinkler, bridesmaid-elect, as well as the co-hostesses Mrs. Ian Donald and Mrs. Marion Atkinson.

Thank You

As most of you know, we have sold our business, the White Rock Bakery, and wish to thank you, the people of White Rock and surrounding areas for the patronage, kindness and patience with us. It has been a pleasure to serve you. We wish the new owners, Mr. and Mrs. Van DerTorre, every success.

Henry and Louise Peters and family

A. G. FINCH

Confirmation of the appointment of Mr. Finch as Manager of the White Rock Branch of Valley Lumber Yards Ltd., was announced this week by C. C. Arnold, Sales Manager of the Company. (Al) as he is known to his many friends, has resided in White Rock for 11 years. He takes over his new position with a background of many years' experience in the retail building material field.

New Fashion Beauty Salon On Hilltop

Mrs. Marion Johnston, formerly of Vancouver, has announced the opening of her new Fashion Beauty Salon at 1341 Johnston Road.

Mrs. Johnston, who will have two operators serving the public, will specialize in the latest hair fashions.

She specialized in Vancouver prior to coming to White Rock, and has two advanced courses in hair styling.

W. R. Bakery Changes Hands

White Rock Bakery changed hands this week. Mr. and Mrs. Henry Peters announced Tuesday they have

WHITE ROCK SUN

THURSDAY, JUNE 26, 1958 3

sold their business to Mr. and Mrs. Tony Van der Torre. Mr. and Mrs. Peters, who have operated the bakery for the past 18 months, will enjoy a vacation before Mr. Peters goes back to the building trade.

The Peters' wish to thank the people of White Rock for their patronage during the past year and a half.

Remember White Rock Sea Festival - July 14 - 19

Change of Ownership

Mr. and Mrs. A. (Tony) Van Der Torre

wish to announce that they have purchased the

White Rock Bakery

from Henry D. Peters and Mrs. Peters

on Monday, June 23.

Tony Van Der Torre, who has been a baker for 10 years in Canada and previously a number of years in Holland, assures the people of White Rock and district that his quality and variety of breads, cakes and pastries will be of the highest, and will maintain the "home baked" texture.

In Memoriam

BARGE - In loving memory of
our beloved only son, John Wil-
liam, who passed away June
24, 1958, at the age of 8 years.
If only the sky could open,
And his dear little face I
could see;
Oh, what a wonderful feeling
I know would come over me.
But he is with the Angels,
Far from sin and pain,
Where Jesus said: "Believe in
Me."
And thou shalt see him
again.
Sadly missed by his Mummy,
Daddy and sisters. 27c

Card of Thanks

MRS. Margaret Cooper wishes
to thank Dr. Middleton and as-
sociates and the nurses and
staff of White Rock and Dis-
trict Hospital for their care and
attention during Kenny's recent
accident and hospitalization.
Also thanks to his many school-
mates, teachers and friends for
their kind greetings. Mrs. Mar-
garet Cooper and Kenny. 26c

COMING EVENTS

Mrs. R. Langlands Heads W.R.-Blaine Soroptimist

Mrs. Robert Langlands was installed as president of White Rock and Blaine Soroptimist International at the installation dinner held Thursday, June 19 at the Tara Supper Club.

Miss Dorothy Browning, Western Canada Regional Governor, also installed the following officers for 1958-59: Mrs. W. Hodgson, vice president; Mrs. M. Zack, second vice-president; Miss Dolly Hughes, recording secretary; Miss Betty Huff, corresponding secretary; Mrs. R. Onkels, treasurer and Mrs. R. P. Stanforth and Mrs. Madge Farmer, two-year directors.

President Mrs. A. Bennett welcomed the guests and members and Mrs. M. Zack gave the invocation.

Special guests included Mayor William Hodgson, Miss Browning, Soroptimist scholarship winner Miss Lois Perry and her mother, Mrs. F. Lewis; guest speaker Mrs. G. Murray of Vancouver and members from Soroptimist International of West Vancouver, Vancouver, New Westminster and Chilliwack.

U.N. TOPIC

Toast to the scholarship winner was proposed by Miss Huff and response was given by Miss Lois Perry.

Toast to the guests was made by Mrs. Stanforth and response by Mrs. K. McLeod of Chilliwack International.

Mrs. Murray spoke on the United Nations Organization. She was introduced by Miss M. Farmer and thanked by Miss M. Molloy.

Transfer of Miss Fiona Campbell Sayers from the West Vancouver International to White Rock-Blaine International was announced.

The management presented a cake with the decoration "Welcome Soroptimists from Tara" written on it, which was considered a most palatable gesture by members.

A miniature representing the Soroptimists major project - scholarships - was on display. This was on a small platform with a stairway of three steps covered with red velvet carpet. At the end of the stairs was a scholarship scroll and mortarboard.

A dress doll which represented the student scholarship winner is seen approaching the stairs to accept her scholarship.

Coney Island Fish And Chips Sold

Mr. and Mrs. T. Kropp, proprietors of Coney Island Fish and Chips for the past 11 years, have sold their business.

Mr. and Mrs. Kropp announced this week that Coney Island has been purchased by Mr. and Mrs. Wilbur Hoover, formerly of Princeton.

Mr. and Mrs. Hoover operated the Pines Motel at Princeton before coming to White Rock.

The Kropps, whose excellent fish and chips have become a favorite of tourist and resident alike, will enjoy a vacation in the east before returning to reside in White Rock this fall.

They wish to express their sincere appreciation for the patronage which has been extended to them over the years.

Sale of Coney Island was made by Jack McIntyre of J. K. Cooper Real Estate in Whalley.

Notice to Creditors

Re: Frederick George Sneyd, deceased.

NOTICE IS HEREBY GIVEN, that all creditors and others having claims against the estate of Frederick George Sneyd, deceased, formerly of 15411 Columbia Avenue, White Rock, British Columbia, are hereby required to send them to the undersigned Executors at P.O. Box 888, White Rock, before the 14th day of July 1958, after which date the Executors will distribute the said estate among the persons entitled thereto, having regard only to the claims of which they then have notice.

Dated at White Rock, B.C. this 16th day of June, 1958.
Mary Watt, John Anderson, Executrix & Executor
Charles Blake, P.O. Box 888, White Rock, B.C.

ship which will enable her to continue her education.

This miniature will be sent to the Soroptimist International Convention to be held at Houston, Texas, in July. It will compete with the Internationals of three regions.

Mrs. K. La Marche, a former member, played during dinner. The evening concluded with singing of the International Anthem.

"Casa Artisticas" Opens Downtown

"Casa Artisticas," an entirely new and different type of store, has opened at 15077 Washington Avenue.

Mrs. Edith Girard will operate this new "Painted Art Skirt" shop which will feature such items as circular skirts in beautiful colored metallics made in Mexico especially for B.C.'s Centennial.

Mr. and Mrs. M. A. Girard have come to White Rock from New Westminster where Mr. Girard was well-known as a painting contractor. He was prominent in the Board of Trade and Kiwanis Club in the Royal City.

Mr. Girard retired recently and he and his wife travelled extensively through Mexico, Guatemala and Yucatan. They have made contacts with Mexican manufacturers of hand painted and hand-beaded cloths.

Mr. Girard has given them specifications to meet Canadian requirements. In addition to the Centennial skirt, there are many other beautifully hand-beaded skirts, all circular cut and artistically displayed in their new shop that is undoubtedly an added attraction to White Rock's business section.

Chimney Sweep Service Now in Operation Here

Only chimney sweep service in the city of White Rock is now in operation by Wilfred Martin and Russell Budd of 1428 128 Street.

Diamond M-B Chimney Service is making a special introductory offer on chimney cleaning service whereby customers will save \$1 until June 30.

Wilfred and Russell aim to give efficient, satisfying service and their objective is to leave the house as clean as they found it. They are licensed for both White Rock and Surrey.

City Track Stars Ready for Kelowna

Eleven White Rock athletes will descend upon Kelowna Saturday for the ninth annual interior senior track and field championships and Canadian juvenile and midget women's championships.

As a special centennial attraction, the juvenile and women's championships are being held on the same day as the senior championships.

White Rock Track Club's midget and juvenile girls will compete in the championships. Age group for midgets is 14 and 15 years and for juvenile 16 and 17 years.

The local senior girls and juvenile boys will take part in the senior events.

Marlene Piper, Dona Wilson and Denise Warner will compete in the midget girls sprints. Marlene and Denise will take part in the broadjump and discus, along with Doris Verpy who will also throw the discus. All four girls will participate in the 440 yard relay.

Irene Marshall and Sharon Colby will compete in the juvenile sprint events. Sharon will also enter the broadjump and shotput and Irene will participate in the discus and high jump.

Mary Ann Proctor, Norris Anderson, Tibar Kaimar, Rich-

ard Dewinetz and David Ogilvie will compete in the senior events.

Norris and Tibar will enter the 100 and 220 yards, broadjump and hop-step and Dave and Richard will compete in the 880 yards.

Mary Ann will participate in the senior sprint events.

Featured in the Canadian Final are the Saskatoon Track Club, Vancouver Olympic and Arctic Clubs, and many entries from the eastern provinces.

The hosting Kelowna Club is also expected to have a strong entry.

The local athletes will leave Friday along with their coach Mel Olson and manager Marion Plunkett and will return home Sunday in order to compete in Newton Day on July 1.

White Rock will also take part in the opening of the new Bear Creek track and fieldhouse on July 6. This will be the largest track event ever held in the Fraser Valley.

Taking part in this meet will be Bellingham High School, many Washington State high schools and Lower Fraser Valley entries. Other clubs include North Vancouver, Vancouver, Kelowna, Vancouver Olympic, Port Moody and Arctic Club.

Mayflower Team Tops In Spring Bowling Here

Mayflower bowlers have ended on top of the five-pin spring league at Idle Hour with a five-game total of 4909.

Other team standings are: Spring Fancy 4865; Dreamers 4808; Happy Gang 4701; Jolly Five 4652 and Spring Fever 4591.

Highest roll for five games in the ladies division was taken by Illa Vibe of Happy Gang with a total of 1010.

Lorne Page, also of Happy Gang, won the men's five game total with a 1092.

Ills Vibe and Hattie Hillie tied for the high ladies single for the game games with a 331 total.

Lorne Winder captured high men's single with a 310 total.

Members of the Mayflower team were: Ed Poier, captain; Audrey Poier, George Dinsmore, Helen Maxfield and Ron Poier (spare).

Playoffs in the 10 pin spring league got underway Wednesday at Idle Hour.

Standings at the conclusion of the league schedule Friday were: Bombers 22 points, Dreamers 20, Sunnyside 20, King Pins 19, Hot Shots 16 and ABC Sweeps 8.

Terry Maxfield of King Pins won the men's high single with a 188 total and Ed Werk of Sunnyside took high three with

a 440 total. Dot Wier of King Pins took both the ladies high single and high three with scores of 178 and 434 respectively.

Bombers captured the team high single with an 838 total and also high three game total with a 2293 score.

Stew Maxfield, proprietor of Idle Hour, reports open bowling will be held during the summer and a tournament may be held before league bowling gets underway in the fall.

Elgin Hosts Whalley Sunday

Elgin's senior C softball club will host Whalley Sunday at Semiahmoo Park at 6:30 p.m. The local club played Whalley Wednesday at Whalley Ball Park.

Elgin went down to an 11-1 decision at the hands of powerful New Westminster Luckies at Semiahmoo Park.

A game packed with errors costly for the losers whose only run of the game came in the third inning when shortstop Eddie Fader slammed a homer.

The visitors continued to take full advantage of Elgin errors and soon built up a strong lead behind the steady pitching arm of Don Beadle.

Jake Block started for the losers and was relieved by Elmer Gerhardt in the sixth inning. Despite good control by Gerhardt, the hosts could not overcome their deficit.

They loaded the bases in the bottom of the ninth but failed to capitalize on the chance. them to return home for additional funds.

The Swansons, well known in White Rock circles, are finding Santa Barbara a delightful spot in which to reside.

Off to Camp Cherith, at Dawn Lake, Seattle, for a week's vacation are five young White Rock girls, all members of the Pioneer Girls' Association. Leaving Sunday are Jill Witte, Gail Bradley, Diane Westman and Rosemary and Margaret Jane Stewart.

Athletics vs. Tigers Tonight as L.L. Closes

White Rock Athletics will host White Rock Tigers in the final game of the 1958 Cloverdale Little League season tonight at 6:30 p.m. at Semiahmoo Park.

Tigers are currently in second place in the league with the Athletics in fifth and last spot.

Athletics picked up their second win of the season Tuesday with a 16-13 victory over Cloverdale at the losers home ground.

Mike Hodgson was the winning pitcher lasting until the sixth inning when he was relieved by Van Huguet who came on to take out the last three batters.

Athletics, who are coached by Dave Dugan and Gordon Taylor, scored nine runs in the first inning and from there they never looked back.

Martin Peterson had two home runs for the winning cause. Cloverdale replied with three homers in the last inning but it wasn't enough to overcome the winners early lead.

White Rock Tigers defeated Hjorth Road Saturday at Semiahmoo Park.

Final standings in the league will not be known until all games are completed but it is believed Fleetwood Tigers are in first place and will continue to play for the George Hahn trophy against the winners of the Newton-Delta and Whalley.

Head WRASA Coach Named

Mrs. Kit Mahood has been named head coach of the White Rock Amateur Swimming Association.

Mrs. Mahood is a fully qualified Red Cross instructor and has had experience in Ottawa and a number of interior and northern B.C. towns. The coach is an accomplished diver and will be giving diving lessons as well. These lessons will be in addition to the normal swimming lesson fees. Denis Jackson is the assistant coach.

Beach coaches are Mary Ann Proctor, Susanne Parkes, Moraine Plant, Donald Elliott and Bob Shaw.

Beach secretaries are Mrs. Brydon and Miss Irene Marshall. Cost of repairing the pool has amounted to \$1200.

The Club's summer activities get underway July 1 with the crowning of the Sea Queen. Registration takes place Wednesday, July 2nd.

White Rock's 7th Annual SEA FESTIVAL

Celebrations start Monday, July 14 and continue for on week, ending Saturday Midnight, July 19.

White Rock's Centennial Extravaganza

Hilltop Heating Offers Customers Three Complete Services in One

Three services in one will be offered to the public of White Rock and district soon with the opening of Hilltop Heating, 1572 Johnston Road, opposite the new Safeway.

Bill Johns, Don Hilton and Doug Bowman have combined their many years of experience in the electrical, gas and sheet metal business to give the public top service in each field.

The Day & Night Company has chosen Hilltop Heating as their dealers for White Rock, will also reside here shortly.

Crescent Beach, Ocean Park, Sunnyside and district. Don Hilton and Bill Johns have been associated in business for 12 years. Doug Bowman is an expert in the sheet metal work.

Donn Hilton is a top gas contract expert and Bill Johns is a water heater expert having much experience in the manufacturing field.

He has lived in White Rock for one year. Donn and Doug

All have installed gas furnaces since natural gas first came into Vancouver. They have had experience with every make on the market and Day & Night furnaces and water heaters is their choice.

There will be five trucks on the road for Hilltop Heating. Operational equipment for the new business totals some \$10,000.

Mr. and Mrs. A. Bates of Stayte Road have returned from a fishing trip to Shuswap Lake where they spent a delightful vacation.

Carle Garages Are Expanding

Announcement was made this week by Jack Carle, owner of White Rock Motors and Johnston Road Service, that he is now dealer for all Chrysler Corporation cars.

Mr. Carle, who has been prominent in the promotion of amateur sports and community projects in White Rock for many years, reports he is now a direct and authorized dealer for Chrysler and from this date is no longer associated with Mansell Overand Limited of

WHITE ROCK SUN

New Westminster.

He will handle Plymouth, Dodge, DeSoto and Chrysler and will have a full supply of all Chrysler Corp. parts and accessories at both garages.

Mr. Carle strongly refuted rumors that he had lost the Dodge dealership and has made it clear that he is expanding in order to offer better service to the motoring public.

More and more people refer to the Business Directory to find their requirements.

THURSDAY, JUNE 26, 1958 7

Mrs. M. Bailey of Toronto, will be spending the summer at the Green residence where she will be the guest of Mrs. Green's mother, Mrs. L. E. Beard. Mrs. Beard and Mrs. Bailey are sisters-in-law.

Spread Kerosene to Discourage Mosquitos

by Dr. G. L. Gibson, MLA
Furthermore, due to the long dry spell, every spot where a little water is lying is a veritable 'brooder' for mosquitos. Hence spraying along the Fraser River in the backwash and along the rivers and creeks where normally the main hatches mature would certainly not do away with anything like all these pests this summer.

Every road ditch where water is laying and has become stagnant is a miniature hatchery for the pests. Therefore, may I suggest that residents who are plagued with mosquitos might improve their lot considerably if they would spread a little kerosene over the surface of these stagnant pools adjacent to their residences, or use DDT solution with a hand sprayer along the ditches surrounding their homes, since mosquitos generally do not have a wide range from their hatching areas.

The natural predators of the mosquito are the dragon fly and the night, or mosquito hawk, but I have not seen many of either in this area. As for mass spraying via fog machine, what about the small bird life, to say nothing of cost.

Last Saturday was the day chosen for the local United Church picnic. It was held in the Peace Arch Park.

Mr. and Mrs. Skelding Honored at Farewell Party

A number of White Rock's younger set descended upon the Birch Bay home of Mr. and Mrs. Stan Skelding recently to honor the couple, and their daughter, Diane, with a farewell party.

Mr. and Mrs. Skelding and Diane leave Vancouver next week to return to their native England. Mr. Skelding came to Canada in April, 1957, and his wife and daughter followed in November of last year.

Mr. Skelding has been employed at Marshall Wells, New Westminster since arriving here and it was through a fellow worker Jack Dicken of White Rock that the Skelding family became acquainted with the local group.

The Skeldings have resided in Burnaby but felt they would like to spend their last few weeks on this continent in the peace and quiet of a summer resort. They chose Birch Bay.

Holy Trinity Pupils Honor S.S. Teacher

The pupils of the Holy Trinity Sunday School in White Rock presented the superintendent Miss Freda Fennell with an electric blanket Sunday morning upon her resignation from the position.

The service marked the last Sunday Miss Fennell would serve as superintendent, a position she has held for the past seven years. She has been active in the work of the Sunday School for the past 20 years.

The occasion also marked the annual presentation of prizes and awards to Sunday School pupils. The school will enjoy a recess until September.

The annual Sunday School picnic was held at the Peace Arch Saturday, when 70 children enjoyed the fine sports program arranged by Mr. Bud Fearnside; Mr. W. J. Ballard and Mr. Arnold. W.A. ladies supplied the luncheon.

Crescent Waterworks Has 60,000 Gal. Tank

CRESCENT BEACH - Anybody want a water tank?
Crescent Beach Waterworks have a perfectly good 60,000 gallon tank erected about nine years ago. The only reason it is out of use is that the underpinnings are breaking down.
In fact, the Late Frank Turnbull breathed a prayer very often that the frequently braced framing would hold until the new reservoir was ready.
The tank has been kept in good condition by keeping water in it; but if it is not disposed of soon, it will be torn down by bulldozer and burnt.

Teen Town Dance To Aid Retarded

White Rock Teen Town will hold an outdoor dance on Saturday, June 28 at the Overwaitea Parking lot on Hilltop at 8:30 p.m.

Proceeds will go to the Retarded Childrens School here

Dental Clinic Realizes \$67.26

White Rock Dental Clinic taggers realized \$67.26 from their efforts on Saturday, Tag day last year netted just over \$100.

Taggers blamed the fine summer weather and the fact that teachers seemed short of change for the fact their intake was slightly lower than that of last year.

Mrs. Raymond Young reporting on the work of the Clinic states 75 children have already had their dental work completed with 23 still requiring additional appointments.

Rev. Walter Ward Marks 50 Years in Ministry

Rev. Walter Ward, the minister of White Rock's First United Church, brings a ministry of six years in White Rock to a close on Sunday, June 29.

For Mr. Ward himself, it is a memorable date, in that this year marks the completion of 50 years in the full time service of the church, and 44 years since graduation as a Presby-

terian Minister from Manitoba College, Winnipeg.

Over the years experiences have been many and varied for the devout minister. The first student minister field to which Mr. Ward was appointed in October of 1908 was Winnipegosis in Northern Manitoba, having come out from Rochdale in Lancashire that fall to engage in full service for the church.

Prior to that Mr. Ward trained for seven years in Library, Art Gallery and Museum work in one of the largest libraries in the north of England. Early memories concerned themselves with traditions of that town, which was the home of Co-operation and Free Trade.

Following graduation Mr. Ward served in Northern Ontario, Manitoba, Saskatchewan, Alberta, and his last eight years in B.C.

Work in city and rural areas in these different parts of the Dominion has provided a many sided and varied ministry, with opportunities for observation of Canadian life from many angles.

Two world wars, two or three depressions, in the nature of things provided much opportunity to serve.

For over eight years Mr. Ward was in charge of the social service centre of the United Church in Regina. While there he served on the United Church Commission Council on 'Church, Nation and World Order,' and on the Wartime Information Board, for the Dominion Government; also on the southern Saskatchewan Ration Board, during the years of the 2nd Great War.

WAR WORK

Under the Wartime Information Board, weekly letters were called for concerning the tone and temper of public opinion throughout southern Saskatchewan during those troublesome years. While in Moose Jaw, in Trinity Church, Mr. Ward was president of the Saskatchewan Prohibition League. In both Regina and Moose Jaw he was respectively chairman and secretary of the city Ministerial Associations, and also president of the Social Agencies Council in Regina. He was a member of the Presbyterian General Assembly on two occasions and also a Commissioner to the General Council.

Mr. Ward was also secretary of the first Presbytery of Moose Jaw under the United Church all the time he was in the city, and when in Regina was both secretary and chairman of Presbytery respectively of the Presbytery of Regina.

He was one of a small group which was called upon in 1931 in Moose Jaw to set up the system of relief for the city authorities of Moose Jaw, which later became in many ways a model for other towns and cities in the dread depression years.

CONFERENCE

In the Conference of Saskatchewan and the other Conferences in which he has served, Mr. Ward has done his fair share of the committee work of the various Conferences, in the early years of the United Church, chairing several committees which had to do with developing procedures for the work of the new Church, and working on general committees dealing with constitution problems. He was also secretary for several years of Saskatchewan Conference Communication on Evangelism and Social Service.

As the result of his busy life and one full of interest, Mr. Ward has a growing appreciation of the work and possibilities of the Church in this day and generation.

Since taking over the pastorate of the White Rock United Church Mr. Ward has been president of the local Ministerial Association, and during his ministry here has had the deep pleasure of welcoming into the fellowship of the Church here something over 300 new members and of assisting in the planning of the new First United Church of White Rock.

Ray Shepherd PTA Installed

A very successful year was reported by the Ray Shepherd PTA at their annual meeting and installation of officers held on Wednesday evening, June 18. Jack Burrows, School board member for White Rock was installing officer.

Mr. Burrows praised the PTA members for the splendid work they have done during the past six years of operation since the school's opening. He outlined the vital role a PTA plays in the life of the pupils.

Members reported 458 hot doughs had been distributed at

Drowning Victim

Reg. Adam's Brother

An attempt to rescue his pupil from drowning ended in death for Gordon Adams, Darche School principal, and brother of White Rock's Reg Adams, proprietor of the Semiahmoo Cabins, Washington Avenue.

The 35-year-old school principal was entertaining his pupils at a picnic at Allan Lake, near Hatzic when the tragedy occurred. One of the girl pupils got into difficulty and Adams swam out to help her when he "simply disappeared." The girl was later rescued unharmed.

Commenting on the tragedy, his niece, Lois Adams of White Rock, reports, her uncle was also a volunteer fireman and had been called out of bed at 2 a.m. that day to fight a bush fire and had come from there to the picnic. She reports her uncle was a very strong swimmer. He leaves his wife and two daughters.

WHITE ROCK SUN

THURSDAY, JUNE 26, 1958 9

the annual sports day held on the school grounds on June 6. Ice cream was also distributed by the PTA to the scholars.

A donation had been made to the White Rock District Dental Clinic and the newly organized Retarded Children's School as well as a cash donation to each teacher for the purchase of needed school supplies.

The possibility of shifts is feared at the school next year in view of the fact that 22 children have already been enrolled for grade 1 in September.

ber, with a number more expected and only 17 students are graduating from the school.

Mrs. D. Pravit was elected president; Mrs. T. B. Morden, vice president; Mrs. C. Breen, secretary; Mrs. A. Lowry and Mrs. H. Hogg, membership; M. Haskvick, program; Mrs. M. Ingram, Dental Clinic; Mrs. J. Maine, Social; Mr. E. Thrift, Council representative; Miss J. Hunt and Mrs. C. Breen, publicity and Mrs. B. Mitchell, Historian.

Six Year

Term Completed

The completion of a six year term of office as District Commissioner for South Surrey has been realized by Mrs. A. E. Postill of White Rock.

She will assume the role of Divisional Commissioner for Surrey and Delta in September, a position formerly held by Mrs. Kathleen McGown of Newton. The latter is going as an exchange teacher to Britain this coming year.

Mrs. Postill was appointed to the position of District Commissioner for South Surrey by Mrs. K. McGown. She had formerly served as a Brownie leader in White Rock and had previously been a Guide captain on the prairie.

Mrs. Margaret Stager, retiring from the field of Guide and Ranger leader, has served as a leader of youth in White Rock for the past ten years. Mrs. Stager struggled on without help in the initial days of Brownies in White Rock. Mrs. K. McGown reports that when she expressed a desire to assist Mrs. Stager in her task, she suggested that a Brownie pack be started instead because of the need existing.

Mrs. Stager has served as Brown Owl as well as Ranger Captain and as District Captain of Guides and Brownies, assisting Mrs. Postill, as Guide Commissioner.

"Mrs. Stager has been a great contribution to the work of Guiding, Mrs. McGown reports, and she has been a wonderful example of faithfulness. Working with her as her superior leader, I realized always she was a woman I could depend upon."

LEARNING TO BLOW THE PIPES for the Centennial Searchlight Tattoo is Master Sergeant H. L. Peters of San Francisco Drum Major of the United States Marine Corps Band. His instructor is 10 year old John McLeod of the Optimists Junior Pipe Band. The Marine Corps Band is part of the 900 personnel who will participate in the largest Tattoo ever staged. It will run from June 23 to July 1 every evening at Empire Stadium in Vancouver, under the direction of Brigadier Alistair McLean of Edinburgh, Scotland.

Mrs. Constance Cox Plans Northern Visit

Conversing in the Kithashan dialect with the Indians of Kitwincool will be easier than speaking English, Mrs. Constance Cox, authority on B.C. Indian life reports.

Mrs. Cox plans to visit the northerly Indian village in August, where the only white resident is the school teacher, with whom she has been invited to stay. Mrs. Cox explains that the residents of the village have stipulated they wish no intrusion from the white man.

Mrs. Cox has been commissioned by the Provincial Museum at Victoria through anthropologist Wilson Duff, to travel to the northerly town to obtain the history of the totem poles in that area, find out who made them and why they were carved.

The entire trip will be one of sheer pleasure to Mrs. Cox who spent most of her life in the Hazelton district. She was the first white girl to be born in Hazelton and the first baby to be christened there.

As a youngster Mrs. Cox's chief desire was to become a

woodcarver, a longing which grew daily from watching her Indian friends carve their masterpieces. Her dream was almost realized when plans were finalized for her to accompany her step-father to Germany where she could enroll in a school which taught the art, but World War I interrupted those plans.

A member of a family of nine children, Mrs. Cox's desire to find free time for woodcarving was limited, but daily she learned the ways and language of the Indians, until when an adult, the Indians came to increasingly depend on her for managing some of their affairs which sometimes required court action. She has served as interpreter for them on many occasions.

Mrs. Cox explains that the totem poles made today with electric machinery have not nearly the beauty and worth as those fashioned so painstakingly by hand, some of which necessitated a lifetime to complete. The Indian's entire life is devoted to such a work, she said.

Medicines Deductible From Income Tax

Announcement by the Federal Government that prescription medicines are now included among medical expenses deductible from income tax is regarded as welcome news by B.C. pharmacists.

Douglas A. Denholm, registrar of the Pharmaceutical Association of B.C., said the move announced by Finance Minister Donald Fleming in his budget speech Tuesday was long sought by pharmacists in the province.

The expansion of deductible medical expenses to include drugs and medicines bought on prescription was effective immediately.

Mr. Denholm said B.C. delegates to the council of the Canadian Pharmaceutical Association had proposed for many years that this exemption be made and as a result the C. Ph. A. had presented several briefs to the Federal Government.

Sunday School Picnic Held At Peace Arch

Under a warm and sunny sky and amid the towering trees of Peace Arch Park, approximately 200 happy people attended the annual Congregational and Sunday School picnic of Crescent United Church, which took place June 17.

It was only after the bulging picnic baskets, ice cream and other treats were finished, festivities over, that the holiday makers reluctantly returned to their homes.

Those responsible for the success in organizing the big

event are as follows: Transportation, Mr. Singleton and Mrs. H. Olds; Refreshments, Mrs. R. McGregor, Mrs. E. Berry and Mr. T. Killock; Races, Mr. Cameron, business manager for the United Church; Young Peoples Camp, Mrs. Golly and Miss Jan Turnbull; Games, Mr. and Mrs. J. McGregor; Mr. Jack Robertson and Mr. Dick Cully; Honor Ribbons, Mrs. P. Hugh.

White Rock Man Wins Fisheries Award

A White Rock man attending the University of B.C. has been awarded a \$300 Fisheries Association of B.C. Scholarship.

John Donald MacPhail of Kerfoot Road is one of nearly 300 students who have been awarded prizes, scholarships and bursaries worth almost \$60,000.

The Fisheries scholarship will aid MacPhail in continuing study and research in the field of fisheries.

Nine new scholarships were awarded for the first time this year and further awards will be announced before the opening of the UBC winter session in September, Dean Walter Gage, chairman of the UBC awards committee, announced recently.

Two Culverts For Sully Subdivision

Decision to install two culverts at the new Sully subdivision at North Bluff Road and Colclut was made against the recommendation of Alderman Jessie Lee, who maintained the city had many more important projects requiring the usage of funds.

Spending of the money now when the city has not appropriated it was criticized by Mrs. Lee, who claimed such expenditure was premature in view of the fact the subdivision was in its infancy.

Alderman Lillian Browne pointed out that if the culverts were not installed it would be necessary to install four dead end road signs to warn motorists of the ditch ahead, and that would be an expensive item, and in time the money on the culverts would have to be spent as well.

Mayor William Hodgson said that the ditch in question is on city property and as such is the city's responsibility, not the subdividers.

Alderman Browne maintained it was far more economical for the city to spend money on something of a permanent nature like culverts than on barricading roads.

Alderman Lee replied, "this subdivision plan has not even come to us yet."

Whereupon Mayor Hodgson pointed out, "the only ones which come before Council are those which are contentious, otherwise the approving officer grants them providing they comply with the bylaw."

Council agreed to install the two culverts at a cost of \$250 with Mrs. Lee casting the only dissenting vote.

In the Garden

By G. E. Sery

Are Chemical Fertilizers Ruining Our Soil and Our Health?

I have often alluded, in my articles, to the unfortunate use of chemical fertilizers on the land, a practice which is ruining the soil, undermining the health of men and animals, and killing the earthworms. Why are chemical fertilizers advocated and used to such an extent? Is it another commercial racket?

If the farmer or gardener cannot obtain sufficient natural manure for his crops, he can obtain commercial ANIMAL fertilizers, such as blood meal, fish meal, bone meal, and Milorganite, which are harmless to the crops.

But at the same time I would like to stress the importance of the compost heap. Better crops can be grown with the use of compost than by the use of any amount of chemical fertilizers. Unfortunately, many gardeners seem to be too lazy to take the trouble to collect and build up a compost heap. It is so much easier to spread a few handfuls of chemical fertilizer!

Why burn so much garden refuse and leaves, when it can be turned into the most beneficial fertilizer obtainable? Some have asked if maple leaves are unfit to use. Of course they are. ALL leaves are excellent for leaf-mould or for the compost.

At the present time there is a movement for the greater use of organic farming and the compost heap.

I have by me a booklet sent out by the publishers of "Organic Gardening" of Emmans, Pa., U.S.A. from which I will quote a few excerpts. The book can be obtained from the above address.

"In spite of the billions of dollars spent for medical research, the average person today has more colds than his forebears, he sees his dentist more often because he has more cavities than his grandfather. Not only that, but he suffers from nervousness, heart trouble, gall stones, ulcers, arthritis, rheumatism and cancer."

"This does not seem right in an age of central heating, air conditioning, bottled vitamins, peticians and child health training, yet in spite of the mortality statistics, modern man is apparently getting sicker with each generation."

"A few years ago Sir Albert Howard, the great English scientist, made an amazing discovery. We, at 'Organic Gardening' feel that he has the answer to WHY modern man is in physical decline and HOW he can be cured."

"Sir Albert chose a school in England where the children were in only average health, and by a simple new system of growing vegetables, which we call the Howard Process, he accomplished in a very few months what looked like a miracle. The children did not catch colds and measles and scarlet fever were confined to one case imported from the outside."

"How was this miracle accomplished? The answer is simple. Instead of changing the children's diet, Sir Albert changed the way their food was grown!"

"He saw to it that chemical fertilizers were outlawed. He saw to it that the children were fed entirely on food that was raised with home-grown organic fertilizers and from this experiment discovered that not only were the children healthier, the crops grew faster, harder and more abundantly, and that even their taste was different - more delicious as well as more nutritious."

"In his 40 years of experience, Sir Albert Howard demonstrated that chemical fertilizers are ruining the soils, undermining the health of man and animals, producing artificially blown-up foods that lack vitamins and other nourishing qualities."

"Foods grown with artificial fertilizers are losing their old-time taste. Vegetables raised with chemicals are tougher and more fibrous. Fruits do not have the good old flavor."

"When chemical fertilizers are placed in the soil - not only is your food affected, but the beneficial soil microbes are

affected to such an extent that the dangerous organisms get the upper hand and plant disease results. When soil is treated NATURE'S WAY - with compost and humus - the beneficial soil bacteria and fungi aid the roots to obtain maximum nourishment."

"Several years ago the Organic Gardening Experimental Farm in Eastern Pennsylvania was considered sub-marginal - 63 acres of hard-packed, unyielding soil. But you should see it now! Green rolling fields that drain perfectly, vegetables that are up weeks before the neighbours, luxuriant flowers that blossom earlier and fade later than we thought possible, vines that just won't stop growing, apple trees taking on a new lease of life without poison spraying. And all this has been done the 'Organic Gardening' way."

"Nothing is forced. No artificial fertilizer has even been used - and there isn't a drop of poison spray on the premises. Compost and humus have turned a down-at-the-heels tract of land into a garden spot."

There you have it! It is well worth considering, isn't it?

In subsequent articles I will write about the earthworm, and also on the proper method of compost building.

HMCS Stettler Plays Host

The officers and crew of HMCS Stettler, which visited White Rock from June 16-18, played host to civic dignitaries and members of this city's Centennial Committee at a cocktail party aboard the ship June 16.

Mayor William Hodgson and Mrs. Hodgson and Ald. Jessie Lee and Ald. Max Zack and Mrs. Zack and Mrs. Atchison were among the guests.

Other guests included Mr. Wilf Hurd, chairman of White Rock Centennial Committee and Mrs. Hurd; Mrs. D. A. Crawford, secretary-treasurer of the Committee and Dr. Crawford; Milt Walker, president of Branch No. 8 of the Canadian Legion; Ray Hayward, vice-president of the Branch; Committee members Mr. O. Harold and Mrs. Harold; Ian Donald and Mrs. Donald; Mr. Stan Evans and Mrs. Evans; Mr. V. W. Plant and Mrs. Colishaw, and Vin Coyne.

Let's Do It Now

A prominent local businessman commented the other day he felt sure more people had visited White Rock this year than ever before. He operates a business which caters to the tourist so his estimate of the summer influx so far this season can be considered accurate. Many other local merchants have been "swept off their feet" by the unexpected rush of early tourist trade.

The excellent weather has no doubt been a chief factor in the large crowds that have flocked to our beach, not only at weekends, but also on weekdays. All the glory, however, cannot go to the weather alone. It is quite evident that the tourist enjoys White Rock. He enjoys bringing his family here because our beaches are the safest in Canada, he enjoys bringing his wife because she has access to every type of store and he enjoys coming here himself because he has got sufficiently far enough away from the "everyday grind," without running into tremendous expense.

As White Rock is a resort, depending for its prosperity, for its very existence, on its ability to attract people to visit or to live, it is vitally essential that the city does its share to encourage the tourist. Parking facilities are one of our greatest problems in dealing with summer visitors. The sooner Surrey provides more parking space at Semiahmoo Park and the sooner White Rock takes full advantage of potential parking, such as that area west of Elm on Washington, then the more tourists we can facilitate in the downtown district.

More auto courts and trailer courts to accommodate the tourists is rapidly becoming a necessity in the city. The Lower Mainland Regional Planning Board recommended in its proposed community planning bylaw that auto courts and trailer courts be established in residential and commercial zones subject to the requirements of the special zones bylaw. The board also recommends that the court shall have its principal access from one or more of the following streets only: North Bluff, Stayte or Bergstrom Roads.

No further explanation is given why the court should have principal access onto one of these roads, but surely if it meets with all these provisions of the bylaws the owner should be entitled to make application for a permit anywhere in the city. Council and the people of White Rock must take bold action in ensuring the future of this centre as a tourist spot which will continue to thrive as long as we have the facilities for happy holidaying.

The Sea Festival

White Rock's seventh annual Sea Festival is fast approaching and never before has so much planning and organizing gone into this event which will last for one week in honour of our Centennial year.

This year's Sea Festival Society has spent many hours in making sure that there will be varied activity every day during the celebrations. They have arranged for the finest possible entertainment there is available for a city of this size. The Society has added features to this year's show that had never been thought possible in earlier years. Catering to the children and adults alike, the Committee has certainly done its utmost to ensure a successful Festival for 1958.

No matter how hard one group works, however, no matter how much planning and organizing they do, a program of this kind cannot be put over without the whole-hearted support of the public. It is now up to the people of White Rock and district to do their part.

How? Many of us have friends or relatives, or both, who come to spend a few days or a few weeks with us during the summer months. Tell them to come this year during the week of July 14-19 and see our Sea Festival. The more people that visit White Rock during that week the bigger the proceeds for that indoor swimming pool will be.

If you know of a family who don't know where to spend their vacation, encourage them to come to this resort centre. We hope our visitors will enjoy themselves enough this year to return and support the Festival every year.

No Holiday For Death

Nearly 100 Canadians will be killed and several thousand injured over the Dominion Day weekend unless more than the usual precautions are taken.

Experience of past years indicates that most holiday deaths and injuries result from automobile accidents, according to records of the All Canada Insurance Federation. The Federation, which represents more than 200 fire, automobile and casualty insurance companies, makes these suggestions for the long weekend:

- 1) Make sure your car is in good mechanical condition before starting out on long trips.
- 2) Check that driving permits and identification cards are in an accessible place.
- 3) Don't overload your car with people or baggage.
- 4) Split long journeys into easy stages to avoid fatigue.
- 5) Stop frequently for coffee, something to eat, or a few minutes' rest.
- 6) If you are tired, but can't stop overnight, pull over to the side of the road and have a nap until rested.
- 7) Study in advance the different driving rules of the cities, provinces or states in which you will be travelling.
- 8) Travel more slowly through unfamiliar territory.
- 9) If you have a blowout or other mechanical failure, continue slowly until you can pull off the road.
- 10) Set out flares when you make repairs at night; don't block other drivers' view of your car lights.
- 11) Keep speed always within safe limits, especially at night or on wet highways.
- 12) When in doubt, yield the right-of-way.
- 13) Make the return trip only when you are well rested.

GOOD-BYE TO ALL THAT!

Commons Hear Prime Minister H. MacMillan

by W. A. McLENNAN, M.P.

Last week was not a very exciting week in the House of Commons. There were a few fireworks during the debate on NORAD and, as the debate has been postponed, we may have some more.

The estimates of the Department of Public Works for the ensuing year are still being considered. Several Private Members' Bills such as water pollution and an amendment to the Railway Act were up and were defeated or talked out before a vote could be taken.

The British Prime Minister, Right Hon. Harold MacMillan spoke to a joint meeting of both houses. He is a very charming man, a forceful speaker. He dealt mostly with foreign trade and trade within the Commonwealth. He stressed what the Commonwealth stood for and the friendly feeling that exists among its members.

I have been appointed to three standing committees, "Mines, Forests and Waters," "Privileges and Elections," and "Printing." It is regrettable the standing committee on Mines, Forests and Waters has been inactive for many years. As its name indicates it is a committee whose terms and references cover a very large portion of our entire resource field. Indeed, it is my understanding that it is not intended that the committee should even limit the matters under consideration to the items technically included with the terms "Mines, Forests and Waters."

The committee will be giving consideration to the questions that relate to the development of all our great natural resources.

Natural resources are the foundation of our economic wealth. The way in which we develop or fail to develop them, the way in which we use them with wisdom, or with folly, will determine the wealth and strength of this nation in years to come.

In connection with the water resources branch, many important questions arise, particularly concerning the development of the great power potential of the rivers of this country.

I am thinking of the Columbia and the Peace as far as British Columbia is concerned.

There is in addition, however, the very important field of water conservation, for while many are not fully aware of it, our civilization is one that involves an enormous demand for water.

I am sure a great many of our good friends in Surrey and Langley will agree. Unless we become fully aware of the importance of water we can squander one of our most essential resources.

The work of the Forestry Branch relates to a resource that provides a large portion of our national wealth in one way or another and a resource that calls for the greatest care in conservation and exploitation.

It is estimated that over 50% of the people in British Columbia are directly or indirectly dependent on the products of the forests.

Books That Deal With B.C. History

There are many good books dealing with the history of British Columbia, and perhaps during this Centennial year, we may find time to read some of the excellent material provided.

We may wander, sometimes with a sense of nostalgia, through the years, to the old Cariboo trail, to the Fraser Canyon and the stormy crossings of Georgia.

We may be sure that there was much blood, sweat and tears as the pioneers laboured mightily and were instrumental in laying the foundation of this great and bountiful land.

"British Columbia in Pictures," by Richard and Lyn Harrington.

"Empire of Columbia" by Dorothy Johansen and Charles Gates.

"When the West was Young," by John B. Higinbotham.

"The Columbia River" by Ross Cox.

Beautiful White Rock
Beautiful White Rock, by the sea,
A gem in the crown of fair B.C.
The deep blue sky and rippling tide,
The smooth warm sand stretching far and wide,
The sloping hills with homes and trees,
The clean fresh air with its gentle breeze,
The well kept lawns and flowers gay,
The songs of the birds at break of day,
A gem of beauty for all to see,
Is Beautiful White Rock by the sea!
— Jane Johnson.

The Subway (Foot of Elm Street)

Subways thruout the world show progress without doubt, Used by people in the millions, to come in or to go out. The cost for their construction, fabulous, aye, immense, But their value to the public, sure warranted the expense. We know that in big centres, things are done in larger ways, To eliminate congestion, that cause vexatious delays. But why glorify such subways, they worth's beyond compare And there are thousands less costly, here, there, everywhere. White Rock has a small one, under the railway track, Built for safe and convenient passage to the beach and back. Barefoot kids can use it, we all know what's the matter, Day in day out thru summertime, it's generally full of water. How about a slanting floor, made of say, cement. The cost, not very much for sure, and surely wisely spent. They were always going to fix it, this matter let us face, To let it be, a water hole, is just simply a disgrace.

No Deaths Ends

Three deaths in the family in the past five months following a record period of no deaths in the family for 55 years has been the experience of William Frost, 15227 Victoria Avenue, who learned this week that a sister in England had just passed away.

Mr. Frost reports that of the 11 children in his family, all had survived since the passing of his mother and father in 1903 and 1902, respectively, until the death of the oldest sister in May of this year. Following her death two other sisters have passed away this spring.

Mr. Frost feels 55 years with out a death in such a large family is somewhat of a record.

Mr. Frost has resided in White Rock for the past eight years, having come here from Regina. He emigrated to Canada in July, 1903.

Alan King and Barry Morse spend many hours like this researching their radio program "A Touch of Greasepaint," broadcast Mondays on the CBC Trans-Canada network, and rebroadcast in Eastern Canada, Fridays. King and Morse present 30 minutes of theatre fare, including scenes from plays, stories of the theatre, and memories of actors and playwrights.

Sharlene Brown Wins Davidson School Trophy

White Rock's Sharlene Brown pupil of the Myrtle Davidson Dancing School, won the Davidson School Trophy in the 15 and under class for the Seann Truthbas and Horn Pipe, at the annual competition of the B.C. Highland Dancing Association for the Fraser Valley.

The competition was held in the Silver Moon Hall Saturday, June 21, from 9:30 a.m. to 5:30 p.m.

The Davidson Trophy, which was captured by a local dancer for the first time this year, was purchased by the Davidson Dancing School pupils with money they received by performing at a Masonic function three years ago.

Other pupils of the Davidson School who were winners in the competition were: six and under Novice Fling, Patsy Brown, 1st, who shares the cup for a period of six months; and Ann McPherson, 2nd in the Fling. Ann McNeil was 2nd in the six and under Sword.

Patsy Heard shares the cup in the eight and under class Fling with Gordon Carter taking 2nd place and Judy Prazitz, 3rd. D'Arcy Mitchell took third place in the eight and under sword.

Joan Tyake won the cup in the ten and under Novice Fling and Sword dance.

Peggy Doyle and Terry Carter will share the cup for the 10 and under Regular class in Reel and Fling. Peggy was 1st in the Reel with Terry 2nd while Terry took 2nd place in the Fling with Peggy 3rd.

Louise McNeil was 1st in the 12 and under Novice Sword.

In the 12 and under Fling and Sword, Novice, Vivian Long and Michael Doyle tied for 2nd and Marjorie Broatch came 3rd place. Diane Hall took 2nd place in the Seann Truthbas in the 12 and under, regular.

Diane Hall won the cup in the 12 and under Jig, regular.

Anita Beaudouin took 2nd place in the 10 and under Novice Fling.

28 pupils of the Davidson School entered the competition out of a total of 35 students who are interested in going in for competition.

Mrs. Davidson has had three assistants this year in the persons of June Postill, Paddy Studds and Lia Tait. The school is enjoying a summer recess but will reopen the first week of September. Enquiries may be made to Mrs. Davidson, Magdalen Avenue.

Mrs. I. Friske, president of the Fraser Valley Branch of Highland Dancing Association, officially opened the competition. The three judges were from Vancouver.

Pay Doctor Bill

The Editor, White Rock Sun, Dear Sir,

I suggest something be done to raise money from these people who come here and leave litter around. A little girl cut her foot so badly by glass near the pier and had to have seven stitches by a local doctor. Now she is under a Vancouver doctor and was in danger of losing her foot. This will cost her parents about one hundred dollars, besides her not being able to attend school. Why should White Rock residents be penalized to clean up refuse they do not create.

M. Haigh,
White Rock.

RCMP Car Theme Of Bridal Shower

A miniature Royal Canadian Mounted Police car mounted on a wagon bore the many useful shower gifts presented to August bride-elect Doreen Campbell, when Miss Edith Moffat and Miss Louise Zachs feted her at a miscellaneous shower Monday night at the home of the former on Merklein Street.

Pink and white streamers held by two tiny white bells above the mantel piece formed a background for the bride-elect's chair which carried out the same color theme. The shower cake, topped with the words "Showers of Happiness, Doreen" complimented the chosen color theme.

Guests included fellow staff members of the White Rock Elementary School as well as many friends in and near the White Rock Area.

A Personal Note

to Parents... (grandparents, aunts, uncles and other doting relatives - real or adopted!)

Let them know you're glad they passed their grades

...with these special B of M Student Passbooks!

One of these colourful passbooks, showing a nice little balance inside, is bound to get you high marks with the younger set.

This extra surprise gift, with a place on the cover for the youngster's name, is the practical way to help children develop the habits of thrift and self-reliance... to help them make the grade in the years ahead.

And B of M Student Passbooks make excellent gifts for all kinds of special occasions such as birthdays, Christmas, and as a reward for extra effort. You can pick them up at your neighbourhood B of M branch in a matter of only a few minutes.

FOR TOTS AND TODDLERS...

these attractive blue or pink B of M passbooks have become first choice with a growing number of far-sighted parents and doting relatives.

Evangelical Church Holds Annual Meet

Annual meeting of the White Rock Evangelical Church showed greatest success in the Sunday School and Pioneer Girls Groups. These departments of the church have flourished remarkably.

Miss Shirley Peckover, Sunday School superintendent, reporting on the Sunday School, outlined various methods employed during the past year to stimulate growth and promote regularity in attendance. The pupils, she reported, had raised a total of \$63.67 in a penny drive in aid of the church expansion program.

Mrs. James Westman, Pioneer Guide, reported an average attendance of 20 at both the Pioneer and Colonists groups with interest keen throughout the year.

The Deaconesses reported 87 visits made throughout the year.

Offerings for the year, apart from Sunday School and Women's groups, came to \$4,847.02.

Officers named for the coming year are: Ab Northeast, secretary; Norma Rodgers, treasurer; Mr. A. Townsend, assistant treasurer; Mrs. O. Stavness, Sunday School treasurer; Fred Hollingshurst, assistant; Mrs. Ray Stewart, secretary.

Deacons elected for their first term are Fred Staples and Alex Stewart while Messrs. George Hollingshurst, O. Townsend, J. Elliott and R. Trotter were returned to office.

Deaconesses are Mesdames A. O. Dobson, H. Douglas, H.

Troke, L. Avery and H. Martin. Counters are Mr. J. Goodlet, Mrs. Eeles and O. Townsend.

Mrs. James Goodlet was returned as chairman of the ushers. Auditors are William Wilson and Oliver Stavness.

Mrs. W. Wilson is pianist, assisted by Miss S. Peckover. Song leader is William Wilson. Returned to the Finance Committee are R. Trotter, J. Goodlet and Miss Norma Rodgers.

Miss Shirley Peckover will continue as Sunday School superintendent until the end of August with Mrs. G. Hollingshurst as assistant.

COUNCIL BREVITIES

Surrey and White Rock School Board have requested City Council to supply garbage at the White Rock School following complaint of undesirable odors caused from the burning of same.

The School Board estimates that it will be necessary to pick up four cans per week.

City Council moved to change

WARREN M. SLAUGHTER

Painting and
Decorating

PHONE WI. 8-9503
EVENINGS

a fee of \$1 per month for the weekly pickup.

Council moved to grant the request of Mr. Langhold Helm, C.N.I.B. member, to allow him to operate for the one month period of from now to July 15th without a license providing he will purchase one following that period. He is opening a store on Washington Avenue featuring tobacco, leather work, coning tobacco, leather work and confectionaries.

A \$25 grant will be made to Mrs. Smithson, 8011 A Street, towards the cost of \$119.90 en-

talled when she had the steps skirting her apartment, which is the continuation of A Street, repaired recently.

Council gave permission to the Teen Town organization to hold an open air dance in the Overwaitea parking lot, Saturday evening, June 28. Proceeds are in aid of the School for Retarded children.

Reports of debris and brush on vacant lots together with complaints of caterpillars will be ignored unless the letters are signed by the corresponding, Council agreed.

Vauxhall Velox and Cresta on Display Now

Wally and Eric Griffiths of Midway Motors have announced that the new 6-cylinder and 6-passenger Vauxhall Velox and Cresta are now on display at their showroom on Johnston Road.

These entirely new Vauxhall "axes" offer 4-door convenience and 6-passenger roominess combined with vastly improved stability, comfort and panoramic vision. Easier parking, striking running economy, safer braking are also features of these two fine cars.

Built and backed by General Motors, the vibrantly new Vauxhall Velox and Cresta are only 57 inches from roof to road, a radically new approach to automotive design.

Mechanical detail matches the advanced design. The power plant is the latest and most powerful of the famous Vauxhall six-cylinder "over-square" engines. There is Synchromesh on all forward gears. The brakes are a new type with superb efficiency.

Regular Velox equipment includes large arm rests on all four doors; folding arm rest in rear seat; ashtrays in instrument panel and in back of front seat; front no-draft ventilators; high-level air intake; dual horns; two spoke steering wheel with chrome horn ring; spare wheel; stainless steel moulding around rear window and laminated safety glass windshield; chromed flutes along sides; dual visors; two-speed electric wind-

No More U-Turns
Auto Assoc. Ask
B.C. Automobile Association directors are asking their 75,000 members and other motorists who are interested, to cease making U-turns in cities and populated areas.

Sunnyside News

Mr. and Mrs. A. Bates of Stayte Road have returned from a fishing trip to Shuswap Lake where they spent a delightful vacation.

Mrs. Andrews of Best Road is home again from the White Rock Hospital. Her friends hope that her health continues to improve.

Mr. W. Box of Stayte Road is home from a trip to Ontario.

Mrs. Alf Ellis of Sunnyside Road is home again after hospitalization. Her friends wish her good health.

Guests at the home of Mr. and Mrs. G. R. Currie on Sunday were: Mr. and Mrs. J. English of Hope, and Mr. and Mrs. Tom Currie of Sidney were also guests. Tom, who has completed his stint in the Navy, is now working in Burnaby and he and his wife plan to make their home there.

Mr. and Mrs. McCloy and family of White Rock have moved to Constable Road where they will make their home.

At the last meeting of the Sunnyside Garden Club it was decided to hold the next annual flower show on Wednesday, August 6. The guest speaker for the evening was Thomas Alex, a graduate of the Missoury Botanical Gardens and past president of the Vancouver Gladiolus Society. His interesting talk covered the history and culture of the gladiolus.

Mr. and Mrs. F. H. Pickering spent last Saturday at Chilliwack where they attended a Centennial Picnic. It was a great get-together of many who had been away from that locality and who had come back for the Centennial event.

Delta Municipality has agreed to continue the garbage incinerator service to White Rock for another year.

Lions Club Holds

'58-'59 Installation

John Raven was installed as president of White Rock Lions Club as the organization's 13th annual installation held June 13 at the Palms Supper Club at Birch Bay.

Other officers installed for the 1958-59 term were: Don Johnson, 1st vice-president; Robin Johnston, second vice-president; Wilf Hurd, third vice-president; E. Dick, secretary-treasurer; Jerry Douglas, lion tamer; Dennis Meade, tail twister.

Directors installed included Alex Davidson, Jack Taylor, Bert Longstaff and Cyril Rowden.

Lyle Grath, past zone chairman, acted as installing officer. A very enjoyable evening of dancing followed with some 75 Lions members and guests taking part.

Arrangements for the affair were made by Lion George Alcock.

Fines Total \$346.50

For May, Says RCMP

RCMP report for the month of May in White Rock 12 traffic tickets were given; 7 parking convictions and 5 parking warnings; 8 miscellaneous warnings.

72 complaints were received and investigated; 4 unlighted street lamps investigated; discovery of 1 business place unlocked; 5 liquor cases; 6 articles lost; 3 articles found and 1 bicycle recovered.

The liquor situation is under control, the report stated. Prisoners' expenses and maintenance amounted to \$3. Fines imposed under Municipal by-laws amounted to \$340. Revenue collected in Municipal cases and payable to the municipality was \$346.50 with costs to the municipality amounting to \$46 and \$10 to the Federal Government.

SOUVENIR

MOTOR SHOW SPECIAL

SPOTLIGHT
on the
CRESTA and
VELOX

These Six-seaters stole the motor show

VAUXHALL CRESTA

The spotlight moves to the new big six-cylinder Vauxhalls—the Velox and Cresta. First thing to realize is that they seat six passengers without cramping.

by
ROBERT WALLING

Next, they have all round visibility. The Luton designers were not satisfied merely to sweep the front windshield around on both sides so that anything coming out of a side street is immediately obvious to the driver, but they also made sure he sees through his rearview mirror. When reversing, any cyclist or walker lurking in the normally blind space on both sides of the back of the car is clearly visible. To do this they inserted quarter windows at the back. The motorist can see all four corners of the car when turning slowly.

Less wind noise

The designers wanted to bring about a new standard of stability as they dropped the overall height by four-and-a-half inches, widened the cars by two inches and also increased the wheelbase by two full inches. The result is longer but much lower models. They should hold the road in difficult conditions because of this. And they should produce less wind noise at higher speeds.

The new design gives passengers more shoulder, hip and leg-room. The luggage compartment is about the biggest in cars of its class I have yet found.

I like one point especially about the engine. The linkage between choke and throttle has three positions—for start, warm-up and drive. All the driver has to do when the engine is stone cold is to switch on and depress and release the accelerator pedal.

No over-choke

The engine then starts suitably choked for the conditions at the earliest possible second.

Thus you cannot be guilty of over-choke with its damaging effect of spoiling lubrication at a critical time. In every possible way, Vauxhall designers have produced cars worthy of carrying their proud name.

VAUXHALL VELOX

VELOX AND CRESTA SIXES NOW IN CANADA

The all-new Vauxhalls are here—and how you'll love them! Barely 57 inches low, the stunning new Velox and Cresta brilliantly combine sports car handling and stability with limousine luxury... six-passenger comfort, four-door convenience, and full panoramic vision!

Yes...1958 represents a complete breakthrough for Velox and Cresta. No other car in their class offers so much for so little... new power, new economy, new driving ease, and superb new braking safety. You'll agree...Velox and Cresta bring you the biggest advances ever in the budget car field!

'Don't Believe All Your Child Says,' PTA Told

Preparing a child for his first year of school, was the topic of Miss Betty Huff's fine address, at the regular monthly meeting of the White Rock PTA held in the elementary school Wednesday evening, June 18.

The experienced primary specialist outlined a number of do's and don'ts to listening parents, one of which was, "don't believe everything your youngster tells you about school just as teachers do not believe everything the child reports about his home life."

The self-reliant child is the child who will get along best in school, Miss Huff pointed out. It is important to teach a pre-school child to dress himself, play well with other children, accept temporary departure from his parents, listen when spoken to and take care of his toilet needs.

Miss Huff pointed out that already 64 children have registered for grade 1 next September and it is expected the number will reach 100 on the first day of school.

MENTAL ABILITY

Complaints often made by parents, that their child has been put in a lower class than he should be, are uncalled for, Miss Huff stated. She pointed out that tests given the grade one child on the second day of school are both scientifically prepared and are standardized to determine just what mental ability the child possesses.

The grade one children range from eight years to four year mentally, she stated. The group is divided following the examination results into groups of 10, starting from the most intelligent and working down to those who will require more time and attention.

All grade one children will progress at their own rate, Miss Huff pointed out. Some will be ready for grade three at the end of the first year and some on the other hand will be just ready to begin school.

Parents can encourage their children to print prior to entering school, the speaker said, but she stressed the importance of using the lower form, instead of capital letters. A child should also be encouraged to learn to tell the time, and in this way he has his first experience with numbers.

FAMILIAR WORDS

Teaching a child to pick out familiar words while a parent engages in reading to him is of great importance, Miss Huff stated. She encouraged parents to point out certain familiar words to their youngsters repeatedly until the child could recognize them for himself.

Sweeping the hand from left to right under the line while reading to a child teaches him the direction of his reading material, she said. Many children enter school believing that a line is read from the right to the left.

Miss Huff outlined the year's work of a grade one pupil in the various steps.

W. W. Presbytery Assoc. Holds Picnic

The Annual Picnic Rally of the Westminster Presbytery Women's Association was held at the lovely summer homes of Mrs. Ken McKenzie and Mrs. E. Sinden at Alderside Beach, Ioco Road, Friday, June 13. Eighty guests were welcomed by Mrs. J. W. East of Rosedale.

An interesting report on Boys' Work was given by Mrs. R. Morrow, following which was the devotional led by Mrs. H. Pickering and Associates. Following a picnic lunch and a Sing Song led by Mrs. H. Leary, the meeting was addressed by Mrs. A. Howard on the topic "Young People of our Church." At this meeting also Mrs. H. Pickering was honoured when she was presented with a Life Membership pin by Mrs. Guthrie, president of Womans Conference.

Revolution In Home Heating

An amazing revolution in home heating comfort has taken place in the past few years.

But so many people have put up with poor heating for so long that they do not know how to buy a modern comfort heating system, or what kind of precision heating performance they have a legitimate right to expect.

The result is that they fall for low price claims, inefficient or second-rate heating systems, that can lead to 20 years of home discomfort.

There are several major types of heating systems, involving equipment and fuels of widely different nature, and tremendous progress has been made in each.

However, a lack of public understanding about this progress often leads the customer to buy from a minority of firms which take advantage of public ignorance or quality heating practices to install sub-quality systems. The customers suffer, and so do the majority of honest organizations desiring to provide the customer with the full benefits of progress in this field.

PTA Holds Election; Offers Scholarship

White Rock PTA voted to donate a \$7.50 scholarship to a boy or girl showing artistic ability to enable them to enroll in the Painting in the Parks series if it gets underway this summer. As yet no definite word has been received as to whether the painting classes will be held.

Members also voted to buy an award for the child writing the best essay at the conclusion of the Reading Club's summer activities.

\$50 was voted towards the White Rock and District Dental Clinic.

Ribbon will be purchased for the winners in the Children's Parade run in conjunction with the Sea Festival of which the PTA members have charge.

It was reported 840 dixie cups have been welcomed by the PTA for the annual elementary school sports day.

Miss Betty Huff tendered a hearty vote of thanks to retiring president Mrs. Janet Harris, who has worked so untiringly for the organization during the

past two years. Mrs. Jean Campbell was elected president; Mr. G. Clay will be asked to accept the duties of vice president; Mrs. K. Con-

during winter's two coldest months -

NATURAL GAS heated this Fraser Valley home for only 45 cents a day!

Like scores of other B.C. homeowners, the J. Cail family of Dunsmuir Avenue, Mission, has discovered the many advantages of automatic Natural Gas heat. From December 2nd to February 3rd, the winter's coldest period, the Cail family's gas bills totalled only \$28.49 . . . or about 45 cents a day. Economy like this makes Natural Gas best for heating your home. It's another reason why automatic Natural Gas heating is one of the wisest investments you could ever make for your home.

Compare the convenience of Natural Gas heat, too . . . completely automatic, thermostatic temperature control . . . no stoking to do, no ashes to haul . . . and Natural Gas is so clean.

For a free estimate on the cost of heating your home with automatic Natural Gas, phone, write or visit your local B.C. Electric office.
